

## **RADIO FREE ASIA COMMEMORATES YEAR OF THE ROOSTER JANUARY 2017**

RFA commemorates 2017 as the Year of the Rooster with a QSL card highlighting the work called "Rooster" by Korean painter Jang Seung-eop, better known as Owan. People born in Rooster year are said to be deep thinkers, capable, and talented. According to tradition, they like to be busy, devoted beyond their capabilities and are deeply disappointed if they fail. They are also considered a bit eccentric and having difficult relationships with others. Roosters are considered to be loners and, though they give the outward impression of being adventurous, they are timid. This is RFA's 63<sup>rd</sup> QSL and is used to confirm all valid reception reports January – April 2016.

*RFA's 2017 Year of the Rooster QSL*

Created by Congress in 1994 and incorporated in 1996, RFA broadcasts in Burmese, Cantonese, Khmer, Korean to North Korea, Lao, Mandarin (including the Wu dialect), Vietnamese, Tibetan (Uke, Amdo, and Kham), and Uyghur. RFA strives for accuracy, balance, and fairness in its editorial content. As a 'surrogate' broadcaster, RFA provides news and commentary specific to each of its target countries, acting as the free press these countries lack. RFA broadcasts only in local languages and dialects, and most of its broadcasts comprise news of specific local interest. More information about Radio Free Asia, including our current broadcast frequency schedule, is available at [www.rfa.org](http://www.rfa.org).

RFA encourages listeners to submit reception reports. Reception reports are valuable to RFA as they help us evaluate the signal strength and quality of our transmissions. RFA confirms all accurate reception reports by mailing a QSL card to the listener. RFA welcomes all reception report submissions at <http://techweb.rfa.org> (follow the QSL REPORTS link) not only from DXers, but also from its general listening audience

Reception reports are also accepted by email at [qsl@rfa.org](mailto:qsl@rfa.org) and by mail to:
